

Zeta Beta Tau Fraternity

Alpha Zeta Chapter

Powerhouse of Excellence Scholarship

The Alpha Zeta chapter of the Zeta Beta Tau Fraternity presents the University of Florida exclusive Powerhouse of Excellence Scholarship. This scholarship opportunity is to reward University of Florida students who have displayed excellence in their academic, athletic, and/or careers on campus or within their community. The Zeta Beta Tau Fraternity has 6 founding pillars, and applicants will be asked to describe in depth how they exemplify at least two of these pillars. Our pillars are Service, Charity, Wisdom, Justice, Brotherhood, and Truth. The role any of these pillars have played in the life of the applicant are up to interpretation and applicants are encouraged to explore their non-traditional definitions.

Applicants will be asked to answer one of the following two questions about each of the two pillars they have selected:

- How have you embodied (selected pillar) throughout your personal, professional, or community life?
- How do you envision (selected pillar) shaping your time at the University of Florida?

Each answer should be 100-250 words long. Applicants will be required to submit these answers together in PDF as a part of a general google form. Applications are due Thursday January 15th, at 11:59 PM. Finalists will be named shortly after the application deadline, where finalists will enter the Interview phase. Winners will be notified on January 23rd.
